ANNUAL ALUMNI BANQUET
FRIDAY, APRIL 27, 2012 ~ LEXINGTON HOUSE

ANNUAL GOLF OUTING - Wednesday, August 1, 2012 ~ Gleneagles C.C.

From the President Leo Men

It appears that we have all survived the winter that never was, and now it's on to our two major events of the year; the banquet and the golf outing. For the banquet, it is our hope to surpass last year's great event, but please buy your tickets early. We want to make sure that you will be able to sit with your classes and the only way to assure that is with advance ticket sales. We have some very deserving individuals for our annual awards. Your alumni have been working very hard to get more alumni involved in the organization and it appears to be working. Our monthly meeting attendance has increased and decals and ad book is keeping pace with last year's numbers, even in this economy.

If you have not been out to the school in a while, take the trip. You will be surprised by what you see. The TEAM at Leo has been doing a phenomenal job, not only by educating these fine young men, but also by helping them become men. Whenever I am there, they are extending their hand, opening a door, meaningful conversations (remember they are teenagers!!) and overall just nice to be around.

I always want to give special mention and thanks to our officers and directors. They give their time, talent and energy into this fine organization. THANK YOU.

If you know of an alumnus who is not getting the newsletter, let me know and we will take care of it.

Also, let us know how we are doing. Any comment or suggestion would be appreciated. Thanks.

PS-If you have not sent in your decal or ad book money yet, you still have time.

Alumni Banquet

On April 27, 2012 we will be celebrating our 57th Annual Leo Alumni Association banquet.

Our Association was formed and continues for charitable and educational purposes to promote the best interests of Leo High School as well as foster a spirit of loyalty and fraternity among Leo Alumni. The banquet is our largest social event and brings together hundreds of alumni from all class years. The Golden and Silver Jubilee classes are honored and our prestigious "Man of the Year," "Dr. Driscoll," and "Community Service" awards are presented. New Hall of Fame inductees are also made at this time.

Cocktails are at 6:30 p.m. and dinner will be served at 7:30 p.m. with a brief program. The bar reopens for several hours after dinner. Members of the Jubilee Classes **must** purchase their tickets directly from class captains. The class of 1962 has already been given specific instructions on how to order their tickets and if additional information is needed, please contact Denny Conway at conway.denny@yahoo.com, 773-779-6064 or Don Royhl at droyhl@prodigy.net, 708-267-7530.

The class of 1987 can purchase their tickets by contacting Mike O'Leary at moleary16@comcast.net Corey Walden at corey_walden@yahoo.com or William Anderson at jahsonii@aol.com, 773-936-3841.

As you all know, this banquet is traditionally an all male banquet. We do have an exception. If you are an award recipient, you may have guests attend including females. However no small children are allowed.

The exceptional attendance we experience each year makes this event the largest and best of its kind in Chicagoland. Call your classmates and make arrangements. The ticket price is still \$50 in advance and \$60 at the door. We would really like to have as many advance tickets as possible.

Please note that we make every effort to seat you with your class. If you purchase your tickets at the door this is not always possible. So please purchase your tickets in advance.

Man of the Year Tom O'Malley '57

I was born into the Leo neighborhood at 79th and Green Street. I moved to St. Sabina at age 1. I attended St. Sabina Grade School and then Leo H.S. I played Lights my Junior year on a very good lights team. My Senior year I played Heavies & was 2nd team All Catholic league. I attended Loras College. After graduation Br. Coogan brought me back to Leo to teach and Coach Basketball. I have enjoyed a great deal of success in coaching since this humble start. The greatest has been the number of friendships with the many wonderful players and coaches I have been able to work with and retain those friendships. I have been selected to the 16 inch Softball Hall of Fame, Chicago Catholic League Hall Of Fame, I.H.S.A Coaches Hall of Fame, Chicagoland Collegiate Athletic Conference Hall of Fame, Leo H.S. Hall of Fame, Chicagoland Sports Hall of Fame. My own claim to fame is my Faith, Family and Friends. My Family sons Tom (Kate) and Mike (Lisa) (both Leo Grads) daughter Carrie (Dan), My 13 Grand Kids Courtney, Molly, Shea-Ryan, Tara, Brennan, Annie, Megan, Matthew, Nolan, Aiden, Brendan and Daniel (all Hall of Famers) My best friend and loyal supporter and my love for 46 years; my wife Carol. Leo will always hold great memories for me. This award I will cherish forever. God has been good to me and my family and I hope I will be able to continue to do my best to help people. Thanks again and God Bless. Tom O

2012 Doctor Thomas Driscoll Award Gene Earner '39

Gene Earner has been a Leo fan for as long as he can remember. At 3 years old, his parents took him to his first Leo football game at which his brother Ken (Class of '39) was a cheerleader. He has been hooked on Leo ever since. After graduating from St. Margaret of Scotland School in 1946, Gene followed in his brother's footsteps on to Leo where he played Bantams basketball as a sophomore. Gene graduated from Leo in 1950 but his connection to the school was far from over.

After high school, Gene married his dear wife Donna in 1954. Together, they raised 12 children all of whom attended Catholic grade school and high school. Six of their boys went to Leo. While his sons were at Leo, Gene's involvement with the school continued to grow. He was a member of the Parents' Club serving as Vice-President for one year. For 19 years (1974-1993), he was the "Voice of the Lions" as the field announcer for Leo football games. Likewise, he was a timekeeper for home basketball games during the same years. Five of his granddaughters were junior Leo cheerleaders as little girls.

Outside of Leo, Gene spent 25 years as a route driver/salesman for the Canfield Beverage Co. He played high caliber softball for the Robbins Drugs team who won the 19th

Ward championship 3 times and Ridge Park and Foster Park 8 times. His Park District basketball team lost only 1 game from 1964-1966. Included on this team roster was Govoner Vaughn, an ex-Harlem Globetrotter. He ended his excellent amateur golfing career with 2 holes-in-one.

Gene has always been very involved in the local community. He has coached grammar school basketball and spent 10 years as President of the Southwest Grammar School Conference. He has shown his dedication to his beloved St. Margaret of Scotland by organizing many successful St. Patrick's Day parties over 15 years, helping raise about a half million dollars for the parish.

Gene has been a dedicated member of the Alumni Association for many years. He entered the Leo Hall of Fame in 1993 and was the Man of the Year in 1995. Gene has not let up on his involvement as he is still organizing very well attended annual Alumni nights at Leo home basketball games. He currently serves as the Chairman of the Board. As he receives the Dr. Driscoll Award in 2012, Gene's love of Leo has never wavered since he went to that first game as a toddler. He is a Lion through and through. Well done Gene!

Don Hogan '45

Don Hogan grew up in St. Sabina Parish. In February 1945, Don enlisted in the US Navy. Upon graduating from Leo in May 1945, Don left for the service and served on the USS Wisconsin. Don and his wife Rita (deceased) raised four children; Jeanne, Colette, Patricia and Tom. They have 15 grandchildren.

Don is completing his 60th year as an agent and manager for Bankers Life and Casualty Insurance Co.

Don has worked and supported the Alumni Association for over 50 years. He has held various offices throughout the years and in 1962, he was President of this prestigious association. During his term of President, he inaugurated the Man of the Year award.

Don was his class chairman for the silver and golden jubilee banquets. Don was a member of the group that worked to get the golf outing moved to its present location and shares in the successes that the outing has had. Don and his friend Frank McDermott '57 have, for over 25 years, worked on the table assignments for the annual banquet and as the banquet grows, their job becomes a little more interesting.

Don has truly lived the Leo Motto, "facta non verba."

equestrian order of Holy Sepulchre.

His passion for helping others who were less fortunate started in 1984. He was involved in the Casa Zuilema, in the Honduras. This was a home for adults and children with AIDS. It was a facility with 24 beds. He was involved in their daily routines and in a 15 year period, over 1400 people have died from this terrible disease. He would care for people that were abandoned by their families and took in people that literally were living in the garbage dumps of the city. From 1987-2012, he was involved in many projects and helping out in La Mica, where they accomplished a lot of projects, such as; a grammar school, an electrical grid system to supply electricity to 700 people, a bus stop and a church. Gordon has travelled all over the globe to help his fellow human being. He has been to 37 countries and has paid for this out of his own pocket. In his spare time, when he is not travelling, he helps local agencies including those in the Chicago land area. Gordon TRULY fits our motto of 'facta non verba.'

He followed his brother Tim, '67, and was followed by his brother, Jack, '70, to the Lions' den. The four years at Leo were a great learning experience, and there were plenty of good times and wonderful memories.

Kevin then went on to a B.S. in Education from Chicago State in 1972, and a M.S. in Education from DePaul in 1976.

Kevin taught for 8 years at Austin Middle, which became Michele Clark Middle, a Chicago Public School. After leaving teaching, he went into School Supplies and Equipment sales for 16 years with 3 different companies.

In 1996, Kevin was elected to the Illinois House of Representatives. Remembering his Leo heritage, his first bill was the education tax credit to assist families who chose non-public education for their children. This \$500.00 tax credit is still the highest of any state in the USA. In 2010, Kevin was elected to his eighth straight election, representing the 37th District in the southwest suburbs of Chicago.

Mike was a volunteer in the Cara Program which assists motivated individuals affected by homelessness and poverty to transform their lives. Cara was founded by Tom Owens ('54). He served on the parish board of St. Cajetan. Mike coached boy's and girl's basketball for several years at his present parish of St. Alexander in Palos Heights. He and Carol (his wife of 49 years) live in Orland Park. They were charter members of the South Suburban Right to Life Organization. Mike and Carol have eight children, all residing on the Southside of Chicago or South suburbs. They have 28 grandchildren ranging in age from six months to 21 years of age. Mike believes that attending Leo provided him a terrific opportunity and privilege to attain a superior education.

Bob Standing '70

Bob graduated from St. Cajetan in Beverly in 1966. At Leo, Bob was a three-sport athlete, wrote for "The Oriole" and was vice-president of his senior class. Those accomplishments earned him a four-year academic/football scholarship at the University of Illinois at Champaign. The old Big Ten football adage "three yards and a cloud of dust" helps depict Bob's era at U of I and served him well as he ventured into the insurance business with the same diligent, methodical approach. Following graduation, Bob started Standing Financial Insurance Services, Inc. and has specialized in Employee Benefits and Estate Planning for 37 years, since 1974.

Bob's wife of 34 years, Carole, is a Special Education teacher. They have two children: Brooke and Bob, Jr. Brooke's husband, Andrew Ariens, works with Bob. They have two children: Jack Henry and Chloe Marie. She teaches Special Education for the Chicago Public Schools.

Bob Jr. is single and a graduate from Loyola Medical School. He is almost through his residency at Henry Ford Hospital in Detroit practicing as a Head and Neck Surgeon (otolaryngologist).

"There is no question that I feel blessed and Leo High School was and still is a big part of our lives!"

Bourke/Mahoney Golf Outing

This shotgun and a half event will be held on Wednesday August 1, at Gleneagles Country Club. This has become a very successful and satisfying good time for all of us.

Don't forget for all of you non-golfers, you may come out for dinner only.

We will be notifying last years golf captains of complete details shortly after the first of May. If you golfed in a foursome and your captain will not be golfing but you and others in your foursome would like to golf contact me. Also we have room for more golfers. If you had a foursome last year try for two foursomes this year. If you have not golfed in the past but would like to contact me at my e-mail address it is rc5463@sbcglobal.net or by phone at 815/436-6345.

In the past years we have been fortunate enough to have sponsors for golf hats, golf balls and towels we include in the bags we hand out at the outing. If you or a corporate sponsor you know would be interested in helping out please let me know. It saves us considerable money and means more for our Alma Mater.

Alumni Basketball Night

February 10, 2012

The enthusiasm was great as usual. The game against St. Francis de Sales turned out well. Leo 68 - St. Francis de Sales 58.

For the first time in 3 years, Mother Nature won. The first scheduled game was January 20, 2012. Eight inches of snow made the score Mother Nature 2, Leo 0, St. Laurence 0. There was no choice but to postpone.

The rescheduled night also produced the 2nd snowfall of the year. Though not as deep, it was a very slippery night. We were very fortunate to have about 75 alums as opposed to about 250 on good weather nights.

As usual, Noah Cannon and the team welcomed us by climbing in the stands to shake every alum hand. A touch of class that is the norm at Leo. Not a surprise.

Very encouraging that even Mother Nature couldn't keep away some new faces. Look for another Alumni Night next year. I will hang my rosary out my bedroom window to ensure a sunny day.

P.S. Gene, - thanks again for all your efforts on this.

Leo Football

The football team had a very successful year, making it to the playoffs. They also had an added bonus of playing in Washington, DC. Although the team did not fare well, it was an opportunity that the students will never forget. Coach Holmes is proud of his kids. All 14 senior football players have been accepted to the colleges of their choice, while receiving nearly \$1,000,000.00 in aid and scholarships.

Coach is looking forward to an even better season next year.

Steven Lee Memorial Scholarship Foundation

Greetings Leo Men,
My name is Mark Lee from the Class of '85, and I am President of the Eric and Steven Lee Memorial Scholarship Foundation. As you may or may not know, for the last 11 years, I have been part of an effort to raise money to provide educational opportunities for disadvantaged youth here in Chicago. We have sponsored students in the past, at both Leo and Maria High, donated money to the scholarship funds at both schools, bought books for and provided emergency assistance to students at Leo, and contributed money to the Dream Scholarship at the CPS school where I currently teach, Richards Career Academy. With Maria's announcement that it will become a charter school soon, the money we now raise will almost solely be going to benefit the young men at Leo High School.

Our fundraising event will be taking place at the Meadows Golf Course in Blue Island on Saturday, July 28th 6pm to 1am. Tickets will be \$20 in advance and \$25 at the door. There will be no golfing involved, but plenty of food, music, dance, raffles, a cash bar and most importantly, good people. People who are there to celebrate the lives of my brothers, two great Leo men, Eric Lee (Class of '81) and Steven Lee (Class of '95), and support the school we all love, Leo High School. Come on out if you can and always remember our motto, FACTA NON VERBA. Let's keep our school not just alive, but strong!

Sincerely, Mark Lee '85
Contact me for tickets or donations at 773 485-1504, markdl2000@yahoo.com or better yet, find me on Facebook or at the annual banquet in April.

Leo News

Leo Men,
2012 began with a boost in freshmen taking the Catholic School Entrance test and submitting registration payments for the 2012-2013 school year. We are on pace to registering 50 incoming freshman. We are currently educating 148 students. Leo Chess qualified and competed in the IHSA Chess Tournament for the first time. Leo Track was featured in a great article by *Chicago News Cooperative of the New York Times*. Please go to that link and watch the video of Six Time IHSA Track Champions Leo High School working the hurdles and sprinting in the hallways.

Campaign Leo was a great success, given this uncertain economy. There are still contributions coming in and soon you will receive our Spring Appeal - 21st Century Leo.
Denny Conway and Dr. Jack O'Keefe have raised the ACT scores of our seniors and they are not only getting into good schools but receiving scholarship dollars. Leo raised its scores on the ACT by five points in the last four years - thanks to two great Leo Men.
God Bless All Leo Men!
Dan McGrath - President
Pat Hickey - Director of Development

Leo Alumni Annual Picnic

Greetings Leo Men:
I hope everyone is well, and ready to participate in as many events as you can that we have planned to raise money for the school we all love, Leo High School. I'm here to let you know about one such event that's several months away, but we want to give people plenty of notice, so you can make your plans to attend. The event is The Leo Alumni Annual Picnic. You didn't know such a thing existed? Well, we are hoping to remedy that situation right now! For the last 3 years, we have held a gathering at the Dan Ryan Woods in the grove near 84th and Western, where Leo Men and their families, can come together and strengthen, renew and make new friendships. There will be plenty of food, music, one of those jump houses for the children, and all sorts of shenanigans taking place! The picnic is BYOB so you know there will plenty of beverages flowing freely from tent to tent. **The date is Saturday, August 4th, from about 10am until sundown. Cost is \$20 for an individual, and \$50 per family. ALL MONEY RAISED AFTER EXPENSES ARE PAID WILL BE DONATED TO LEO HIGH SCHOOL.**

We know times are tough for many of us, and know that times are just as tough financially for many Catholic high schools, including our own Leo. What separates us from many other schools, is the strength and support of our alumni. If you are able, please come out to the picnic to enjoy yourself and make sure Leo stays alive and strong!

As always, remember, FACTA NON VERBA!
You can contact Keith Martin Sr. '93, Shaka Rawls '93, Patrick Brown '92, Mark Lee '85 or David Hannah '85 for ticket information.

Sincerely, Mark Lee '85

3rd Annual Leo Alumni Triathlon

The 3rd Leo Alumni Triathlon is scheduled for the fall of 2012. Our previous two events were in February of this year and last year. We're hoping that an October date would increase our turnout for this social gathering. We'll wait for the 2012 Leo football schedule to give the finalized date. We don't want to conflict with a Friday night when our Lions are playing. Look for information in the next bulletin or contact us in a few weeks. To be eligible you must have written permission to stay out after 9pm. Also, can you do 30 push-ups in one minute, or one push-up in 30 minutes? Hope to hear from you. The Families of Spinal Muscular Atrophy (SMA)

Like many other people, we had not heard of Spinal Muscular Atrophy (or SMA) until our grandson, Ryan Manfre, was diagnosed at the age of 18 months. As you can imagine, our family was devastated. SMA is a genetic neuromuscular disease with no treatment, and no cure.
Together with the help of our family and friends, as well as the community of Lemont, Illinois, we are committed to fighting this disease, in honor of Ryan. We believe that no family should have to go through the painful diagnosis of SMA. Last

year we organized our first charity golf outing, and now it's time for round 2. Once again this year, the outing will benefit Families of SMA, the leading non-profit organization dedicated to advancing the necessary research to fight this disease. Again, there is currently **no treatment or cure for SMA**.

We sincerely hope that you will be able to attend or contribute to our event in some way, and we look forward to seeing you on Saturday, May 19, 2012! For more event info including registering online: www.fsma.org/GolfForRyan2012 For more SMA info: www.curesma.org Sincerely, Ken (Leo '63) and Jeanne Emerson Lemont, Illinois
